Description of the site:

The Elk Valley Hospital is a busy and challenging rural hospital set in the picturesque Elk Valley. The Elk Valley Hospital serves as a hub for the South Country and for the Primary and Community Health Centre’s in the neighboring communities of Sparwood and Elkford, respectively. Staff and physicians enjoy the professional and recreational opportunities they share with their colleagues as the Elk Valley boasts world class skiing, biking, fishing and hiking to name a few. Check us out – you won’t regret it!
