**Description of the site:**

Golden And District Hospital is a Community Level 1 hospital with 8 acute beds and a Home and Community Care department and Residential facility adjacent. The facility is sited at the confluence of the Columbia and Kicking Horse Rivers; at the junction of the TransCanada Highway (#1) and Highway #93 the main east/ west and north/ south transport corridor. And on the CP Railway mainline.

The town of Golden has access to some of the most amazing outdoor activities available in the west of Canada, with a high octane ski resort, world renowned white water rafting, paragliding, maintaining biking, kayaking, climbing and hiking on the doorstep, not to mention the fabulous scenery making the town a popular destination for both tourists and permanent residents alike.

Our location population base combined with our unique geographical location, ensures that there is a constant variety of diagnosis and acuity coming through the site which will appeal to a variety of healthcare professionals seeking to combine a challenging work environment and an active lifestyle.
