Description of the site:

Join us in beautiful Vernon, BC as we expand our Vernon Jubilee Hospital with a new multi-storey Patient Services tower, scheduled for completion in 2011. The new building will include an expanded Emergency Department, Ambulatory Care, Perioperative Services, Intensive Care/Cardiac Care and Central Sterilization Services, and Maternal Child department.

Vernon Jubilee Hospital is slated to become a satellite teaching hospital for the new school of medicine offered at the University of British Columbia Okanagan in Kelowna.
